

2nd ANNUAL HARVEST OF HOPE GALA

Honoring Sarah Rogers and Matthew Krappman

**A night of western elegance benefiting the children

7600 E Graves Ave.,
Rosemead, CA 91770

Maryvale's story and impact on the community.

Maryvale is Los Angeles' oldest children's charity and one of San Gabriel Valley's most trusted and longest-running providers of child and family services for the underserved.

We have been committed to serving the needs of children and families since 1856. We provide early education and after-school programming, mental health and wraparound services, community education, short-term transitional housing for single mothers, and outpatient substance abuse treatment for children and teens.

Regardless of adversity, beliefs, or background, Maryvale seeks to heal, educate, and empower those who need us most, lifting up one individual, one family, one community at a time.

A desert landscape at sunset. In the background, a large, flat-topped rock formation (mesa) stands against a sky with soft, orange and purple clouds. The foreground is filled with dry, scrubby vegetation in shades of brown and orange, illuminated by the warm light of the setting sun.

**Come and celebrate an evening of
western elegance under the stars
and enjoy live music, delicious
food, and a silent auction in a
beautiful outdoor setting.**

**All proceeds will support Maryvale's mission to
help those who are most in need.**
